

[n0dine] ARTIST WANTED by 67 students & Various Artists

25/06/2021 - 01/07/2021

ARTIST WANTED is a long term performative installation. It involves the collaboration of a yet to be confirmed art student.

[The project questions the status of the artist in the 21st century with its neoliberal hold on the art market. Imagine an art market where the student is considered a product or a future investment. Just like the young footballer who is already under contract with a club, an art student has already a deal with a gallery.]

Various Artists launched a call in September 2020 to all Belgian art students. The seven students who applied, all present a work during this group exhibition in n0dine.

n0dine : rue de Laeken(se)straat 105, 1000 Brussels
exhibition from 25 June until 1 July 2021, 10 am to 6 pm

One of those students will be chosen by a jury to be assisted by Various Artists during a full academic year (2021-2022).

Various Artists will assist the student one day a week conceptually, practically and during production. The assistance can be carried out in the student's studio, at school or even in the Various Artists studio.

At the end of the academic term the student and Various Artists will present a duo show also known as a Q&A in n0dine Brussels.
